

KTC Child & Family Services ESSENTIAL STAFF

Please be advised that the people listed below are ESSENTIAL STAFF that are *REQUIRED* by law to respond to ON Call matters related to children at risk at ANY TIME. We are mandated to respond even if there is a state of local emergency declared and communities are on lock down. The *Child, Youth & Family Enhancement Act* gives us this authority.

KTC CFS ESSENTIAL STAFF will show their Delegation papers and their KTC CFS ID, GOA ID or business card when asked at the community border entrances. KTC CFS ESSENTIAL STAFF **MUST BE** given entrance into the community.

Caseworkers will wear the proper protective equipment when responding to a call from one of the locked down communities as we follow the recommended health and safety precautionary measures as directed from Alberta Children’s Services and Alberta Health Services.

KTC Child & Family Services:

General Inquiries and for reporting child protection concerns
